GRAND TUHON LEO T. GAJE JR. PEKITI TIRSIA KALI SYSTEM WEAPONS PROGRAM

The Pekiti Tirsia System of Kali is a close quarters, in-fighting system of combat from the Philippines. Based on edged weapons tactics and strategies, Pekiti Tirsia is both traditional and modern - used for presidential security, elite military and specialized law enforcement training. Currently, Pekiti Tirsia is being used to train U.S and Filipino Marines to combat rebels of the Southern Philippines associated with the Al-Queda network of terrorists.

Join the Texas Kali Association, the Tactical Arts Academy and Grandmaster Leo T. Gaje, Jr. for this intense training program. Anyone can learn a technique, but application is the key. Learn to train for success. Open to all styles and levels. Course material may include:

- Body mechanics and power development
- Counter-offensive principles and techniques
- Long blade, dagger, stick and dagger
- Dumog: takedowns, throws and breaks
- Pangamut: the deadly empty hands of Kali
- Malayu Sibat: two handed stick / spear
